WINNERS OF

2016 Australian HPV Super Series!

An absolutely fantastic commitment to training and a determination to work as a team saw the Crank Crew Team win the Murray Bridge 24 hour race by an amazing 34 laps!

We commend Crafers Primary School – 2nd overall and Highgate Primary School – 3rd overall for their competitiveness at all races this year.

Congratulations to Jordyn Mickel who won fastest lap trophy with a time of 2 minutes 28 seconds set in the 13th lap of the race.

A special mention needs to go to the Highgate Primary School Team with whom we have shared a uniquely respectful competitiveness for the last 3 years – the Crank Crew Team cheered Highgate into third position as they battled with the Black Rhino Team at Murray Bridge.

A huge thank you to all of our fantastic sponsors, who have supported Crank Crew and Chain Gang throughout 2016.

Thank you to Keith Sharplin who ensured both Crank Crew and Chain Gang were mechanically sound throughout the season and who gave up his time on weekends to attend every race and every practice session.

Thanks to Miro Davis who led the fitness program at school twice a week, Deb Gustainis who co-ordinated and supported the program and our parents who provided massive support throughout the season.

A special thank you to Travis Mickel who actively sought sponsorship and was pivotal in obtaining the much needed Onsite Hire generator we needed for Murray Bridge.

Thank you to Brenton Stehniak and Drake Foodland for providing food for the weekend.

Lastly, thank you to all the students who participated in the Pedal Prix program this year, especially the commitment shown by our riders in both bikes (Chain Gang and Crank Crew) it was exemplary.

You did us proud!

As you would be aware, the Principal position was advertised earlier this term. There has been a delay in the process and we are expecting this to be finalised during the school holidays. We look forward to announcing the outcome as soon as possible.
