Students from Room 2 are learning about simple and compound time in music. Their task is to match the ‘bumpy’ rhythms to the beat for the song, ‘Wash the Dishes’.

**CHOIR CLUSTER**

Last Wednesday, 13th March our school hosted the ‘Choir Cluster’ for our area. Our music room was filled with the sound of beautiful music from this group of enthusiastic singers. Our students had the opportunity of working with David …. and singing as part of a large choir. They responded very well, listening closely to what David had to tell them, answering questions clearly and confidently when asked.

**MUSIC IS FUN BAND**

Early in Term 2 we will be taking part in a performance by the ‘Music is Fun’ band. All students at the school are learning songs in music lessons towards this concert. The upper classes are working on some dance moves to go with one of the songs, ‘Can You Feel It’.

Room 17 working together as a group on some moves to the song.
