Pedal Prix News

On Sunday the 1st of April East Para participated in the Pedal Prix Practice Event at the Monarto Go Kart Race Course. Thank you to all who made the drive to Monarto. This experience was valuable as we had student’s confidence grow and we could see students getting used to riding both bikes with lots of other bikes around them.

Pedal Prix training will be held again on Wednesday mornings at 8:30am, starting in Week 2 of Term 2.
